**AF1.MS9: Company bicycle tour**

Implementation effort: 

Costs: € € €

Acceptance: 

**Description:**

In order to establish or strengthen the bicycle culture in your company you can organise a bicycle tour.

Such excursions not only have exemplary function and increase the image of cycling but also have a positive effect on community and team building.

**Tips for implementation:**

- Choose a route that mainly runs along bicycle paths and side streets
- Do not choose demanding routes (the tour should be fun)
- Provide E-Bikes for less fit employees
- Work together with the works council

**Save time and money by:**

- Use group offers from public transport services providers to combine train and bike (see also further information)
- Involve your employees in the planning process and the choice of the bike route, respectively
